Temka Glass expanded its sales network with an active sales policy was entitled as Sisecam Flat Glass Authorized Dealer'in 2008.

Our company is one of the leading manufacturers of architectural glass processing in Turkey, It has been operating since 1991 in the glass sector.

Temka Glass continued to develop it self by following the developments and innovations in the construction sector where architectural glazing (exterior and interior) is used intensively and by being entitled as "Authorized Producer" of Sisecam in 2010.

- ⌘ Authorized Manufacturer
- ⌘ High Quality Glass Production
- ⌘ Best Glass Processing Systems
